## Notes

- We currently implement a Razorpay as a payment gateway in your website, you need have a active Razor pay account and payment pages for your each product, [Example, 20 product required 20 individual payment pages] learn more @<https://razorpay.com/payment-pages/>
  - **All Your payment transaction and customer information are stored in Razor pay's site's Dashboard Only**
-

- 
- **You need to monitor razor pay dashboard often times, when a new transaction happened contact the customer for acknowledgement and delivery**
  - Its recommend to have Whatsapp business, for clarify customer questions regarding your product and delivery
